Beautification Awards

Each year Sandy City sponsors a beautification contest among citizens and businesses to encourage property owners to maintain beautiful landscaping and reward those who have improved the aesthetics of their neighborhood and community.

The contest consists of monthly winners from April to October. Those monthly winners are then eligible for a grand prize to be awarded in a presentation before the Sandy City Council in November. With spring here, now is a great time to start planning and planting to get ready for this contest.

If you have questions or would like to nominate a neighbor or business, please contact Ray Lindenburg at 568-7269 or e-mail rlindenburg@sandy.utah.gov.
